

HUMAN TRAFFICKING AND MODERN SLAVERY POLICY STATEMENT

Modern slavery and human trafficking are crimes. ASC Industries has a zero-tolerance approach to crime and is committed to implementing and enforcing effective systems and controls to ensure modern slavery and human trafficking is not taking place internally or in the supply chain. ASC expects all suppliers and manufacturers in the supply chain to develop and implement similar policies and controls and flow these down to all applicable suppliers, processors, and companies associated in producing and supplying parts to fulfill a purchase requirement by ASC Industries
